

Dear friend,

The BAHS Board of Directors is gearing up to host the Shelter's biggest fundraiser of the year, the Annual Hike for the Homeless. This important community event will take place along the Bangor Waterfront on April 01, 2023. The purpose of this event is to raise awareness

for the issue of homelessness that exists in our community, and to raise much needed funds that our organization will use to help our most vulnerable community members obtain safe, permanent housing. The need for emergency shelter services is greater now more than ever before as the number of people experiencing homelessness in our community has grown significantly. To address this growing need, we need your help. Will you consider being a 28th Annual Hike for the Homeless Sponsor? Please see the sponsorship tiers and benefits listed on the back of this flyer.
